

WHERE FRESH HEALTHCARE OPPORTUNITIES GROW

INTERNISTS

Kentville

Annapolis Valley Health

Nova Scotia

A rewarding and excellent income opportunity exists to join the **Department of Medicine** with Annapolis Valley Health. This Department is actively recruiting subspecialists in **Geriatrics, Neurology, Respirology, Rheumatology, Cardiology, Critical Care** as well as two **Generalists**.

Valley Regional Hospital, in Kentville, is a 110-bed community and referral hospital. The hospital is the main district referral site for Western Nova Scotia, serving a population of 200,000+ and most subspecialties are represented. Valley Regional Hospital is located one hour west of the Provincial Capital, Halifax Regional Municipality.

The Internal Medicine services for Annapolis Valley Health includes cardiology, general internal medicine, dermatology and oncology. The current call schedule consists of emergency calls, ICU coverage and inpatient coverage.

“Healthier people, caring communities and valued healthcare teams.”

Interested Internists must be Royal College of Canada certified or equivalent and licensure with College of Physicians and Surgeons of Nova Scotia is mandatory.

Annapolis Valley offers a myriad of recreational and cultural activities which are readily available. The area boasts beautiful shores, historic towns and villages, numerous golf courses, picturesque parks and nature trails. Dalhousie University and Acadia University are located nearby as well as excellent elementary and secondary schools.

The successful candidates will join a large, diverse and progressive team of physicians and other healthcare professionals providing medical services to Annapolis Valley Health.

It's a matter of life and style!
