

ANNAPOLIS VALLEY HEALTH

Required Immediately - Urologist

Located in the heart of Nova Scotia's beautiful Annapolis Valley, AVH consists of six facilities offering primary care, specialty services, health promotion and education to our communities. **Valley Regional Hospital**, in Kentville, is a 110-bed community and referral hospital. It is the main district referral site for Western Nova Scotia serving a population of approximately 220,000 and most subspecialties are represented.

The **Urology Service** for AVH presently includes 2 Urologists providing care in all aspects of Urology, including a thriving laparoscopy program. All Urologic facilities and equipment are state of the art. We enjoy the independence of community practice with a supportive tertiary care referral centre in Halifax, only one hour away.

If you are looking for an exciting opportunity to join a large, diverse and progressive team of physicians providing medical services in an organization that **values, is committed to excellence**, and offers **opportunities and support for professional growth and development**, we invite you to bring your passion and expertise to our team!

As the successful candidate you must be **Royal College of Canada certified or equivalent and licensure with College of Physicians and Surgeons of Nova Scotia is mandatory.**

Come join our Team today!
